

# Restore Our Roller

In the commercial days of road making, Alchinn rollers were something of a rarity. Just eleven were built by the firm. Northampton Council had two rollers, No's 1131 and 1187 and both of these fortunately survive. Thus the importance of No 1131 cannot be understated. At best it is one of only two surviving Alchinn steam rollers - and the oldest - and it is a great pity that it has not received better care in the recent past. The opportunity now exists for something to be done regarding No 1131.

The Northampton & Lamport Railway Preservation Society have been donated No 1131 and plan to restore it to its former glory. The restoration will cost approx £25,000.  
We are asking people if they would donate to the project.

If you would like to donate then please send a cheque made payable to NLRPS to:

“1131 appeal” NLRPS  
Pitsford & Brampton Station, Pitsford Rd

Or alternatively drop into the station opening times on our website.

I wish charity to treat:

the enclosed donation of £.....

As gift aid donations.

*Using Gift Aid means that for every pound you give, Northampton & Lamport Railway will receive an extra 28 pence from the Inland Revenue, helping your donation go further.*

*This means that £10 can be turned into £12.80 just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing.*

*To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount the charity will claim in the tax year. If you are a higher rate tax payer you will also be able to claim tax relief through your tax return.*
